Dave and Daria,

I was speaking with the City of Kalamazoo folks about the technical meeting regarding the Allied site. As an FYI, they have learned of a meeting that State Representative Margaret O'Brien has scheduled with Director Wyant. It is the City's impression that the agenda would include discussion of the OU1- Allied Operable unit. They indicated that the meeting has been scheduled for Tuesday July 23rd.

That is all I have. Just wanted to make people aware and see if we should reach up and offer any assistance in advance of the meeting. Please advise.
